SPRING

Message from Pastor Sean

As the warmth of spring continues to emerge, we are reminded of the beauty and renewal that each season brings. Spring is a time of new growth and the abundant life mirroring the spiritual growth we experience in our faith journey. Just as the sun nourishes the earth, God's love and grace This spring, let us take time to reflect on the blessings we have received and the ways we can share those blessings with others.. Spring provides a wonderful opportunity for us to come together as a church family, building deeper connections and fostering a sense of belonging.. Spring is also a season for outreach and service.

We are called to extend our love and compassion beyond the walls of our church, reaching out to those in need within the community. Through our food ministries we continue to provide resources to Community Partners, Glade Valley food pantry, and two monthly free community dinners. During each community dinner we continue to deliver meals to almost all of the units of Bell Court as well as to some of our members who are unable to join us at the dinners. These acts of service not only help those in need but also strengthen our own faith as we live out the teachings of Christ.

As we enjoy the emerging longer days and ever increasing warmth of the nights, let us remember to keep our hearts open to the presence of God in all things. Whether we are spending time with family and friends, participating in church activities or enjoying the beauty of nature, let us do so with gratitude and a spirit of worship. May this spring be a time of renewal for our faith and a season of growth for our church family. Together, let us embrace the opportunities for fellowship, service, and spiritual enrichment that this wonderful season offers.

Love and blessings, Pastor Sean
